

INDIVIDUAL RESIDENCE

INTRODUCTION

SILVERBRICKS is an Architectural Firm with a group of Architects, Engineers and other staffs. Our duty is to nurture the entire project from starting to end. From the very beginning, we are trying to create some good examples of architecture which will respect our traditional values and functional needs as well.

Our approach towards any project is to develop a character considering the existing situation while being pragmatic about their present needs. We consider each project, large or small, with the same level of care. Beginning with a careful investigation of its conditions and individuality, we try to integrate our client's budgetary, programmatic and aesthetic goals to design the optimal solution for each of our projects.

We always participate as a team and provide services as required. Projects are executed with quality and designed with a disciplined approach. We try to emphasis on providing appropriate services as determined by individual projects needs. In addition to extensive experience in all the architectural processes from programming to construction, observation, **SILVERBRICKS** is actively involved in providing clients with the following services:

- Architectural Consultancy
